IRA Qualified Charitable Distribution Instructions

Thank you for considering a charitable gift to Carleton College from your IRA account. On the following pages, we provide form letters you may use to notify your IRA Administrator of your intention to make a qualified charitable distribution from your IRA to Carleton. The transfer from your IRA Administrator may be made by check or wire transfer.

Your IRA Administrator may require other forms in addition to the attached correspondence. Please contact your IRA Administrator to ensure that all necessary steps are completed to finalize your charitable distribution. We also encourage you to consult with your tax advisor when considering this type of gift.

KEY THINGS TO NOTE:
• Under federal tax law, a taxpayer age 70-1/2 or older may make charitable distributions directly from his or her IRA to Carleton without incurring taxable income (sometimes called a “rollover” gift).
• The gift must come directly from the taxpayer’s IRA administrator to the college.
• While there is no charitable deduction for such a gift, the taxpayer avoids payment of income tax on the distribution.
• The total of a taxpayer’s qualified charitable gifts in any one year cannot exceed $100,000.
• The taxpayer’s spouse can make an additional qualified charitable gift of up to $100,000 from his or her IRA (assuming the spouse otherwise meets the requirements detailed above).
• Consider the timing of your gift. Generally, the legal date of your gift is the date it leaves your IRA account. To make sure your gift is completed on time, you will need to initiate it well before the end of the calendar year.

Please contact the Office of Gift Accounting (800-758-9441; giftaccounting@carleton.edu) at any time with any questions you may have or if you would like additional information.
